

TERMINAL TRANSFER SDS & HAZ COM TRAINING QUIZ

Please watch the video using this link and answer the questions below
https://drive.google.com/open?id=1qEIsQyXOGe36HN8R-phZk9-4N_wlfyTA

- 1) What do the abbreviations SDS stand for?

- 2) Where are the MSDS/SDS binders located?

- 3) In the event of a spill, where would you find the "Terminal Transfer Spill Team" contact information?

I have received training on how to access and read MSDS/SDS and our HAZ Communication Plan within TerminalTransfer, Inc. I understand if I have any questions or concerns regarding this training, I am to contact Rochelle Montes at 503-445-6894 or by email @ rmontes@terminaltransfer.com.
